To Whom It May Concern:

Prior to the mailing of the Notice of Allowance on the present application, Applicant submitted an information disclosure statement (IDS) on Nov. 19, 2006 that included both references previously submitted but which had not been considered, and some new references. The PAIR system now shows that many of the references cited in the Nov. 19, 2006 IDS transmittal have now been considered. However, some of the references from the Nov. 19, 2006 submittal remain unconsidered. Accordingly, Applicant files concurrently herewith a new IDS having only the references cited in the Nov. 19, 2006 IDS submittal that have not been considered by the Examiner. This new IDS is being filed for the Examiner's convenience. It is respectfully requested that the Examiner timely reconsider the patentability of the present application in light of the references submitted concurrently with this transmittal. Note that copies of all foreign and non-patent references cited in the IDS filed concurrently herewith were previously submitted with the IDS filed on Nov. 19, 2006.

If there are any questions regarding this matter, please contact the undersigned Applicant by phone. Note, it is believed that **no fees are due** for the IDS filed herewith, and in particular, no fees are due for consideration of the IDS filed concurrently herewith since **each of the references cited therein was previously submitted in the IDS filed on Nov. 19, 2006 which PRIOR to the mailing of the first Office Action** (a Notice of Allowance mailed on Jan. 5, 2007). However, if it is determined that fees are due for this matter, it is requested that the undersigned be contacted by phone immediately.

Respectfully submitted,
